ViaCon Polska, belonging to the European ViaCon Group, leader on the Polish market in the production of steel culverts of corrugated sheet, looking for candidates for the position of:

Regional Business Controller for Business Unit Bridges & Culverts, Region Central (B2B contract)

place of work: flexible

area of responsibility: Regional position in Business Unit Bridges & Culverts, ViaCon Group

Regional Business Controller is a member of Business Unit Bridges & Culverts Region Central Management Team and reports to Regional Director Bridges & Culverts.

The purpose of this role is to manage all operational financial reporting and analysis for one Business Unit, thereby ensuring control, accuracy, development and predictability and timely delivery of results , comparative analysis and commentary to BU leaders and Finance team.

Your Responsibilities:

- Ensure all local, regional and corporate reporting for Region Central (Poland, Czech Republic, Slovakia, Lithuania, Latvia and Estonia) is completed accurately and on-time as directed
- Support Region Central in pursuit financial targets through in-depth analysis and sharing of financial knowledge
- Co-ordinate and support any allocations/cost share between countries within market or above market
- Actively ensure compliance with laws, policies and best practices
- Support the preparation of monthly, quarterly and yearly accounts
- Preparation of periodic reports, forecasts and annual budget for the Region Central

Our requirements:

- Solid analytical thinking and skills - ability to formulate and understand business issues, situations or problems by breaking them down into smaller parts and analyse them. Interpret data and draw conclusions and provide focused guidance
- Presentation experience- of analysis and target follow-up to Leadership Teams.
- Quality Awareness - Driven by the desire to identify, prioritize and maintain standards to meet internal and external demands.
- Flexibility - the ability to live and act in a climate of change. Handle stress and demands in a calm thoughtful manner with the ability to prioritize, monitor and control operations.
- Service minded – Aim to exceed BU support requirements and expectations. Have strong customer focus, creates value for the supported BU
- Initiative and responsibility - Willingness to act pro-actively by identifying opportunities and anticipate changes
